

GREEN VOTERS GUIDE 2020 HAMILTON COUNTY PRIMARY

1) **Please share with family and friends who care about climate change.**

2) Due to the pandemic, the primary has been moved to June 2 and all citizens are encouraged to vote by Absentee Ballot. Please note that the application for an Absentee Ballot must be received by the Elections Office no later than May 21, and your mail-in Absentee Ballot must be received by Noon, Jun 2. So plan accordingly.

3) You need to ask for a **Republican or Democratic Party ballot**. Please note Indiana has an open primary which means anyone can vote in EITHER primary. However, anyone wishing to run as a candidate in the future might not want to vote in the primary of the other party.

4) The Green Voters Guide represents our best assessment of policies, positions, statements and votes to identify the "green" candidate(s) within a race. These are candidates who we believe are most likely to address climate issues. The more environmentally-friendly candidate(s) in our opinion get a green checkmark. Due to limited resources, only major party candidates in select races are evaluated. Click here for more info <https://www.votersforagreenindiana.org/>
